Nelson Roller Sports Club is one of the few clubs in New Zealand that own their own facility. Please be proud of it and treat the facility and its members with respect.

Your membership entitles each member to free practice at set times and free entry to the public skating sessions. **(Free entry includes Sat. & Sun sessions only, and only if you have your own skates – if you are hiring skates the full hire price is to be paid. There is NO free entry to the discos).**

The public sessions are the main income of the club and your assistance is required a few times a year to assist with the running of these sessions. There will be a duty roster issued and members will be notified of their days and times. If you are unable to do your duty on your rostered day, please swap duties with another member.

The above members agree to abide by all rules and regulations of NRSC. They are displayed in the clubrooms. We consent to the collection of these details by NRSC for the administration of the sport and where requested by funding bodies. We acknowledge our right to access and correct the information. This consent is given in accordance with the Privacy Act 1993.
